

PHISHING PHIL

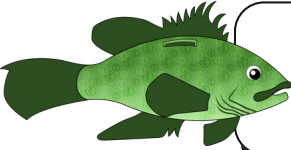

Sammy Social

Sammy Social is your Social Security Number, don't let Phil see it!

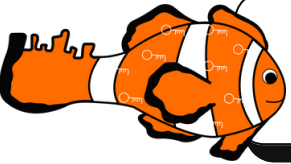

Login Lenny

Login Lenny is your password and username on your login screen. Don't share that with Phil or anyone else!

Benny Bank

Benny Bank is your banking information like account numbers and financial info. Be discreet, don't let Phil know!

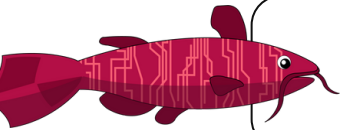

Credential Claire

Credential Claire has all of your identification documentation. Make sure Phil doesn't get ahold of those!

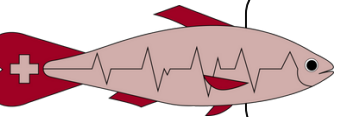

Personal Patty

Personal Patty is all of your personal details like your name, address, and birthday. Phil shouldn't know that information.

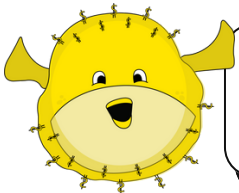

Corporate Casey

Corporate Casey is all of your work and business information. We don't want Phil to know about your business plans.

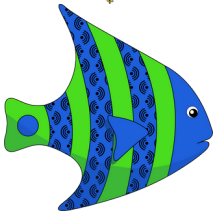

Healthcare Heather

Healthcare Heather has all of your medical data. Phil should not have access to that.

Payment Perry

Payment Perry is all of your card numbers and payment apps. Be careful so Phil doesn't see those.

Network Noah

Network Noah has your internet, software and computer servers. Watch out for Phil!
